Crèche facilities are available in the tower room at the back of the church. An induction loop is fitted for people with hearing aids – please turn to the T-position. ### ***Sayings from the week and wisdom from the tradition***

Beautiful is the moment in which we understand that we are no more than an instrument of God; we live only as long as God wants us to live; we can do only as much as God makes us able to; we are only as intelligent as God would have us be.

- **Archbishop Oscar Romero** *From Romero's last homily, March 23, 1980*

Every act of worship is an act of mission.

Discussion is always better than argument because argument is to find who is right and discussion is to find what is right.
