Sayings from the week and wisdom from the tradition

Welcoming is not just something that happens as people cross the threshold. It is an attitude; it is the constant openness of the heart; it is saying to people every morning and at every moment, "come in"; it is giving them space; it is listening to them attentively. To welcome means listening a great deal to people and then discerning the truth with them.

### **A prayer for church growth**

God of Mission,  
who alone brings growth to your Church, send your Holy Spirit  
to give vision to our planning, wisdom to our actions, and power to our witness.  
Help our church to grow in numbers, in spiritual commitment to you,  
and in service to our local community; through Jesus Christ our Lord.
