The Vicar's Letter . . .

Dear friends,

Lent is fast approaching; it may already have arrived by the time you are reading this. Lent is the second great penitential season in the Church's calendar and begins on 5th March, Ash Wednesday. For the Church the year begins with Advent, a time of preparation to celebrate the birth of Jesus. Lent is the time of preparation to celebrate what God has done for us through the death and resurrection of Jesus.

This year sees a new innovation for Lent. Each year I intend to invite one person to preach not just on Ash Wednesday, but also on Maundy Thursday, Good Friday and Easter Eve. This year we will welcome Canon David Brierley, the Diocesan Missioner, as our preacher on these days.

Lent is traditionally a time for self-examination, as individual people, known and loved by God, and as a community, seeking to make God's love known in our midst. Where is God in our lives: at the centre or on the margins? How well do our lives reflect the life of Jesus?

We have a chance to think together about these questions when we gather for our **Annual Parochial Church Meeting on Tuesday 11th March at 7.30pm**. This is an important occasion in the life of the local church and I hope many will make the effort to come. It will be a time to reflect on the year that has just passed and, more importantly, to look ahead to the future.

We have much to be thankful for in this parish and I am very grateful for the commitment of many people to the life and work of our church community. Some will be stepping down this year from serving on the Parochial Church Council and I would like to express my thanks to them for all they have given during their period of service on the PCC.

As in any community there is always room for more people to be more involved in a variety of ways. God has given much to us, in and through the life of Jesus, and we are called to respond by offering ourselves in loving service to those around us. From time to time various needs will be made known and I hope you will feel able to offer your time and talents to help meet these needs. Recently a retired priest shared the following principle with me: 'One person, one job'. The closer we can move towards this principle in this parish the healthier it will be for everyone! Lent, then, is a good time to examine how to give back to God a fair share of all that he has given to us: time, talents and money.

May God bless you as you walk with him the way of the Cross.

Robin

Isobel's Page

Recently a friend sent to me some very interesting reading. It was a publication detailing the history of a church my grandparents' family had had an interest in from when it was built in 1849. What was so fascinating to me was that listed in the book were all the baptisms conducted there and I have learned a lot about my ancestors.

It was very interesting to read that in 1852 a vellum bound book of unlined blue paper was purchased and in it were recorded the weekly records of everyone attending Sunday School and also the names of the teachers who had not turned up for duty! There were also many rules and regulations written down including:-

'Any teacher being guilty of swearing, drunkenness or immorality of any kind shall be reported to the quarterly meeting, and any teacher wishing to resign shall give one month's notice'.

The Sunday school scholars did not get away scot - free either!
Entry 1853 -

'If any scholar be found guilty of lying, swearing, Sabbath breaking, stealing or fighting he (or she) shall be reported to the Superintendent who shall inflict such reproof or punishment as he deems necessary'.

In April 1852 the records show that one hundred scholars were in the schoolroom and my ancestors were among their number. Another poignant entry, written during the 1st World War recorded that three great uncles of mine had died on active service and in all 68 men connected with the church served in the Great War of 1914 - 1918, and of them seventeen lost their lives.

It is interesting to find out about our roots and to know where we have come from, but of equal importance is to know where we are going.

There is a song:-

*'I know where I'm going,
And I know who's going with me'*

How confident the writer sounds - knowing exactly where to go and having company along the way. Those two lines can be gloriously true for Christians. They know where they are going and they know they don't travel alone. Jesus promised, "Lo, I am with you always."

In good times and in bad, in joy and in sorrow Jesus is our companion leading us safely to our journey's end.

The Parish Mission Statement

**Called to be the Body of Christ,
we are here to share God's love with all people
through outreach and service
in our community and the world
through the power of the Holy Spirit.**

We have reached the end of our journey exploring the Parish Mission Statement that was adopted for use in the parish last September. During the past four months we have thought about who we are as God's people in this parish, why we are here, what we are to do in sharing God's love and where we are to do our work of mission. Our journey concludes by thinking about how we are able to carry out our work.

Our calling to be God's people comes from our baptism, when we are brought into the fellowship of faith, the family of the Church. As Christians we baptise in the name of God, who is Father, Son and Holy Spirit. It is the Holy Spirit, the third person of the Trinity, who is the source of life. Immediately after the baptism with water, the following prayer is said:

'May God, who has received you by baptism into his Church, pour upon you the riches of his grace, that within the company of Christ's pilgrim people you may daily be renewed by his anointing Spirit, and come to the inheritance of the saints in glory'.

In the Creed that is said each Sunday morning the people of God declare together, 'We believe in the Holy Spirit, the Lord, the giver of life...' As children of God, we are empowered to do his work by his Holy Spirit. As Jesus prepared his disciples for his impending departure from them, following his death and resurrection, he talked often about the promised Holy Spirit. 'If you love me, you will obey what I command. And I will ask the Father, and he will give you another Counsellor to be with you for ever – the Spirit of truth.'

We are called to be God's people and to do his work. In one of the congregational concluding prayers of our Holy Communion service the people say, 'Send us out in the power of your Spirit to live and work to your praise and glory'. It is the presence of God's Holy Spirit in our lives that enables us to be the people God wants us to be and to do the work he wants us to do.

It is when we are open to the presence of the Spirit in our lives that we will be able to be the Body of Christ, sharing God's love with all people, through outreach and service in our community and the world.

Then we will be truly doing God's work of mission. Thanks be to God.

NEWS FROM THE P.C.C.

The PCC met on 11th February. Preparations were discussed for the forthcoming annual meetings on 11th March. It was noted that there will be two vacancies for election to the Deanery Synod and six vacancies for election for the PCC. It was also agreed to reduce the number of PCC meetings to 6 each year, with the Annual Meetings taking place (normally) on the last Sunday of April each year. It is also proposed to limit the length of service on the PCC to 6 years, with a minimum of 1 year before a person may stand again for election.

Following a very helpful meeting the Diocesan Development Officer, Uell Kennedy, to discuss various financial matters, the PCC agreed that we should move to a clear separation of the roles of PCC Treasurer and Gift Aid Secretary. More information about this will be given in due course. It was also agreed to invite Uell to help us prepare for a stewardship campaign in the autumn.

Reports were received from the Nurture, Outreach and Young People's Work Advisory Groups and also a report on the work of the Cross Hills & District Fellowship of Churches (CDFC). A very successful CDFC Away Day had been held in January, to review the life of the fellowship. A follow-up day is planned for 3rd March.

Thanks were expressed to those members of the present PCC who will be standing down at the APCM and not seeking re-election.

Out and About In March

*Here again (she said) is March the third
And twelve hours singing for the bird
Twist dawn and dusk, from half-past six
To half-past six,
Never unheard*

Edward Thomas

Spring is really with us. Blossom can be seen on Ash and Elm trees, and catkins on Poplars, Alders and Willows. And in the garden Hellebores (Lenten lilies) Pulmonaria (Lungwort) and Bergenia (Elephant Ears) along with a variety of spring bulbs.

lichens and mosses are at their best when walls and ground are damp - a good variety can be found on Farnhill Moor under the heather and in the churchyard.

Now to get down to work to ensure a good summer display -

- Prune rose bushes cutting out dead wood and shortening branches to an outward facing bud. Give a good feed and mulch.
- Cut back Penstemons when they are shooting at the base.
- Fuchsias over wintered indoors now need pruning hard and gently watering and feeding to encourage new growth.
- Break up and replant large clumps of Snowdrops while they are 'in the green'.
- Sow seeds for summer bedding in a heated greenhouse or propagator
- Non-stop Begonia corms and Dahlia tubers can be started off in moist compost and kept frost free until planting out time.
- Re-pot house plants when they become pot-bound.

The brown bins should solve a problem for those without space for a compost heap.

News from the Outreach Advisory Group

How do you plan for big tasks?

One of the aims of the mission for St Andrew's Church identifies a very big task for us all: to reach out with the love of God to all. It challenges us all as individuals and as the Church community. Most of us prepare for special pieces of work with a careful assessment of our resources and a plan of work to make sure nothing is overlooked: we need to know our strengths and our weaknesses. We also need to be able to measure our achievements and to celebrate with joy when we make the right connections and it feels right for us as individuals and as a community (both the church and wider community).

The outreach Advisory Group has been formed from members of the congregation to identify the existing links between individuals and more formally through St Andrew's Church, and the wider church and the Crosshills and district community. You may be surprised to learn that we have found twenty-five so far and we have stopped working on it yet. Of these twenty-five there are projects, initiatives, charities and formal networks across the world and in the local villages.

So to celebrate this, "The Bridge" is going to devote an article or two each month to informing you of the wide-ranging and diverse nature of these links. This will be a thumbnail sketch and we hope will inspire you to let us know about your special interest. Those who get involved to make our Lord known and loved in all the world can only do so through that most powerful of all gifts - **LOVE**.

WI News - Glusburn and Cross Hills - February Meeting-

Sadly the icy weather prevented many members from attending the Annual Meeting on 4th February. Mrs Mollie Hughes gave a fascinating account of life as a representative of the Association of Country Women of the World. ACCWW has 90 million members in 90 countries, including Eastern Europe. Remarkably, no representative of ACWW is paid any expenses, all money raised going to help people.

Pat Newton, treasurer, and Pam Brown, secretary, reported on the last year, a programme of speakers, competitions, visits, two carol services and our annual dinner as well as many courses and Federation Meetings attended. We also swam, played darts, entered Galas, walked, visited the theatre and much more.

Dawn Lawson, retiring President, thanked all who had given their time in making the year so successful and enjoyable.

A new committee of Eileen Allen, Pam Brown, Moira Gresswell (President), Val Harrison, Margaret Johnson, Dawn Lawson, Pat Newton, Margaret Revell and Kathleen Sutton was elected to serve for the coming year.

The next meeting is on Tuesday 4th March, the speaker will be Mr Malcolm Hanson on "Nutcases and Oddballs". New members are always welcome.

The Aim is to have displays of wedding dresses and christening gowns supported by photographs, hymns, readings with magnificent flower arrangements. We hope to cover as many decades as possible with the celebration of anniversaries e.g. "Silver..." linking the decades.

Tea and Scones

June Whitaker feels that the time has come to hang up her 'Tea and Scones' hat (?Apron). Is there someone who feels that they would like to take over the organisation of this for Sunday afternoons during the summer? It is need of a re-vamp to bring it up to its full potential.

Ed note: Thank you June for all the hard work you have done, it is much appreciated.

In case any one reading this is unaware we serve Tea and Scones on Sunday afternoons (3pm -5pm) through May to September. There are people in our church who's first introduction to the church family was through calling in for a cup of tea on a Sunday afternoon.

Several people already help with this and the coordinator would be responsible for the rota and organisation and planning these valuable outreach events in our church's life.

Please stop and consider carefully whether God is calling you to this task.

F arnhill Parish Council

The monthly meeting of Farnhill Parish Council was held in Kildwick & Farnhill Institute on the 6th February 2003.

The meeting was attended by Mr Johnathon Kerr Head of Economic & Community Development, who came along to help advice on funding for the Institute. He also advised the Parish Council on funding that may be available for the Children's Play Area and how to go about carrying out a research on the transport needs of the community.

Funding may be available for a street light on the footpath between Bucklar Hill & Parsons Bridge, also for the lighting under the Culvert if the Parish Council pay approx 1/3rd of the cost, but has been deferred to the next financial year as all funds have been used for the current year.

The Notice Board for the Parish Council has now arrived and will be placed at the Institute shortly.

It was decided to hold the Annual Parish Meeting on the 8th May 2003 in Kildwick and Farnhill Institute.

The date set for Parish Council Elections is the 1st May 2003. Nomination packs will be available during week commencing 17th March, and will also be available from Julie Holmes- Electoral Officer.

The Information Commissioner has accepted the Publication Scheme submitted by Farnhill Parish Council as an appropriate scheme for our organisation.

STOP THE WAR MARCH – FEBRUARY 15TH

With one of my sons, I went to London to march against a possible war on Iraq, as one of the Keighley contingent. The crowd was immense, possibly 1 million, though there are various estimates. The Bradford coaches had to stop at Regent's Park, such were the crowds, and it took us over an hour to get to the official starting point, near the British Museum.

The mass meeting was due to start at Hyde Park at 2.00, but, as we didn't reach the park until 5.15 - meeting other demonstrators coming back! – I cannot comment on the speeches. I can, though, comment on the warmth and fellow-feeling of the crowd, which was a true cross-section of the British public – not the usual rent-a-crowd!

There were many reasons why people attended the march, but it was moving to see such unity of purpose across all classes, creeds and political beliefs. For myself, I was there for three reasons:

- if we maintain it is morally right to invade a country "to get our retaliation in first", how can we then condemn any other state (South American, African, or, especially, India or Pakistan) which decides to do the same?
- Secondly, as Bishop David pointed out at the Bradford mass meeting in January, in war, innocent people, men, women and children, are killed. Only the most serious of reasons justify this, if at all (self-defence, or that of an ally?)
- Thirdly, justice is indivisible. If, as some maintain, we should invade in order to bring justice to the Iraqi people (and they certainly need it), why do we stand by while justice is denied to the people of Palestine?

Incidentally, did you know that one million out of 25 million Iraqis are Christians? What will happen to them?

30th March Mothering Sunday

Mother Church, Mother Earth, Mother of the Gods - our human mothers - all of them have been part of the celebration of 'Mothering Sunday' - as the fourth Sunday in Lent is affectionately known.

In Roman times, great festivals were held every Spring to honour Cybele, Mother of all the Gods. Other pagan festivals in honour of Mother Earth were also celebrated. With the arrival of Christianity, the festival became honouring Mother Church.

During the Middle Ages, young people apprenticed to craftsmen or working as 'live-in' servants were allowed only one holiday a year on which to visit their families - which is how 'Mothering Sunday' got its name. This special day became a day of family rejoicing, and the Lenten fast was broken. In some places the day was called Simnel Day, because of the sweet cakes called simnel cakes traditionally eaten on that day.

Come and join in our Services for Mothering Sunday:

10am Family Communion with flowers for 'mothers and others'
Followed by tea coffee and Simnel Cake.
