## The Fourth Sunday before Lent

A very warm welcome to our worship today.

If you are a visitor to the church please introduce yourself to the Vicar, to the Churchwarden or to one of the Welcomers after the service. Crèche facilities are available in the tower room at the back of the church. An induction loop is fitted for people with hearing aids – please turn to the T-position. All are welcome to come forward to receive communion or a blessing. Communion can be administered to someone in their seat – please ask. May God bless us as we gather together as his people.

### **Sayings from the week and wisdom from the tradition**

In order for us to be able to love, we need to have faith, because faith is love in action and love in action is service. In order for us to be able to love, we have to see and touch. Faith in action through prayer, faith in action through service: each is the same thing, the same love, the same compassion.

**- Mother Teresa: No Greater Love**

The whole person is a person who is on the one side open to God, and on the other side open to other people. It has been said that there is no true person unless there are two entering into communication with one another. The isolated individual is not a real person. A real person is one who lives in and for others.

And the more personal relationships we form with others, the more we truly realize ourselves as persons.

**- Kallistos Ware: Ordinary Graces**
